

GLAZIER

\$37,610 AVERAGE ANNUAL SALARY*

If you enjoy adventures, scenic views and have a creative side then this profession may be for you! Glaziers are true artisans who work with glass as their mediums. They select, cut, install, replace and remove residential, commercial and artistic glass. Glaziers use a variety of tools including glazing knives, saws, drills, grinders, putty and glazing compounds. They must work as a team when guiding and installing glass for large buildings.

Education Options

- Technical schools
- Community colleges
- Registered apprenticeships
- Industry training programs

Students can start in high school where programs are available.

**Average base salary does not include overtime or incentives.*
