

MILLWRIGHT

\$64,062 AVERAGE ANNUAL SALARY*

Do you take things apart and put them back together just to see how they work? Do you always have the right tool for the job? Then you would make a great millwright! Millwrights work on construction sites and in factories assembling and disassembling machinery. This work can involve intricate technical repairs or heavy machining tools, depending on the project. Millwrights have to be able to understand technical manuals for many different types of machines as well as have a high level of problem solving skills.
