**SITE LAYOUT/
SURVEY ENGINEER**

SITE LAYOUT/ SURVEY ENGINEER

\$65,300 salary*

If math, measuring and engineering is your strength, consider a career in site layout. Surveyors are the first on the site to gather data about the elevation, contour and dimensions of the land being developed. This data gets used for everything from mapmaking, mining, engineering and general construction. Survey jobs are available in every segment of the construction industry including highway and bridge construction, pipeline and mining.

Education Options

- Technical schools
- Registered apprenticeships
- Community colleges
- Industry training programs

Students can start in high school where programs are available.
