<b>Take Home Tasks:</b>	
<ol style="list-style-type: none"> <li>1. Have students further explore the companies, job opportunities, and educational opportunities near them — assign them to favorite at least three in each category.               <ol style="list-style-type: none"> <li>a. As industry partners come into your class to present, have the students favorite the companies in CareerStarter. This way students will remember what companies sparked their interest and are hiring near them.</li> </ol> <p><i>They can use this website whenever they’d like to look for jobs available in their area, educational opportunities they can take part in after graduating, or just to explore the various trade career pathways. The resume they download from their Job Match Profile, is a quick and easy way for them to create a resume. Keeping their profile up to date will also keep this resume up to date.</i></p> </li> </ol>
